**CHRISTMAS INGATHERING UPDATE:**

Last year it was decided to postpone the 2020 Christmas Ingathering. This year it was the hope of the Christmas Ingathering Volunteers to host the Christmas Ingathering in July. Unfortunately, the passing of one of the co-chairpersons, along with only a few congregations open for in-person worship due to the pandemic have made this event challenging. At this time, the Christmas Ingathering is postponed until further notice. Christmas Ingathering Committee

## Stigmata: The Eternal Scars of God

Have you ever wondered about the scars of God? We are a people who believe in a Triune God revealed in the Father, the Son, and the Holy Spirit. That is our confession. In this Christian understanding of the Triune God, we find one who has been scarred—Jesus the crucified one.

When I read the Scriptures about the Passion of Christ, I think of the scars made by the beating Jesus received in the hands of the authorities. I think of the scars on his forehead from the crown of thorns. I think of the scars on his hands and on his feet from the piercing nails. I think of the scar on his side made by the puncture of the spear to his body.

Then on “The third day he rose again from the dead.” We believe the witness of the men and women disciples, the apostles, and the Church creeds. This is our confession.

Jesus said to Thomas, *“Put your finger here and see my hands. Reach out your hand and put it in my side. Do not doubt but believe. Thomas answered him, “My Lord and my God! Jesus said to him, “Have you believed because you have seen me? Blessed are those who have not seen and yet have come to believe.”* **John 20:27-29**. What this text says is that Jesus had visible scars on his body. Jesus’ resurrection did not take away his scars and wounds. These are the eternal stigmata of open wounds and scars on the Christ that continues to be revealed to the world.

We stand in witness of the scars and wounds in our world. We have witnessed the scars and wounds on Asian Americans that have been captured on videos. Many have been attacked while walking by on the sidewalk. We’ve seen the scars and wounds on African Americans recorded on cell phones from traffic stops. Many don’t make it home. We’ve seen the scars and wounds on the victims affect by shootings. Are these scars and wounds difficult to believe? We’ve been traumatized—scarred—from seeing these events played out on media.

The resurrection is an invitation to see the scars and wounds in our world and come to believe. Then our confession like Thomas becomes God’s reconciliation with one another in Christ.

Blessed Eastertide,  
**The Rev. Nelson Quiñones**  
Lehigh Mission District Dean
